

LEADING THROUGH

SHAPING

THE FUTURE

The University of Johannesburg (UJ) is a vibrant, multicultural, dynamic and international university of choice, anchored in Africa. UJ pursues Global Excellence and Stature with an emphasis on independent thinking, sustainable development and multiple partnerships. In a major shift towards aspiring for greater heights and Global Excellence and Stature, UJ has made a significant investment towards strengthening its academic profile and developing UJ as the pan-African epicentre of critical intellectual inquiry.

POSTDOCTORAL RESEARCH FELLOWS

Candidates who obtained their Doctoral degree within the last five years are invited to apply. The fellowships will be awarded on a competitive basis, taking into account the candidates' academic achievements and potential as an independent researcher. Successful candidates will be expected to contribute to UJ's research productivity and impact. Priority will be given to applications from candidates with research interest and expertise in UJ's Global Excellence and Stature flagship programmes listed below.

MASTER'S AND DOCTORAL SCHOLARSHIPS

Applications are invited from suitably qualified candidates who will be registering for full-time Master's and Doctoral studies for the first time at UJ in 2017. The scholarships will be awarded on the basis of academic excellence. The call is open to candidates who intend undertaking research under the following UJ's Global Excellence and Stature flagship programmes:

UJ's GLOBAL EXCELLENCE STATURE FLAGSHIP PROGRAMMES

- Earth Sciences (Geology)
- Intelligent Systems
- Pan-African Thought and Conversation
- Childhood Education
- Nanotechnology for Water
- Architecture
- International Commercial Law
